MEMORANDUM FOR THE RECORD

SUBJECT: Request to Renew an External Contract with [REDACTED]
[REDACTED]
for FY 1963 with OSI Funds

25X1A

REFERENCE: Memorandum of 26 June 1962, same subject, from Assistant
Director for Scientific Intelligence to Deputy
Director (Intelligence)

1. This involves renewal of a contract which has been performed in a highly satisfactory manner by [REDACTED] Inc. [REDACTED]. In addition to the quality of performance and the desirability of continuity of the contractual relationship between the parties, it is in the interest of the United States to renew this contract with [REDACTED] because of the substantial investment which has been made in a direct communications link with Agency headquarters and the establishment of an elaborate secure area at [REDACTED] manned with Agency personnel and cleared [REDACTED] personnel. This, in effect, causes [REDACTED] to function in the specialized field as an extension of the Agency technical office. This program [REDACTED] is a critical one of vital national importance.

25X1A

2. For the reasons set forth above and also for the reasons which are set forth in detail in reference memorandum, I hereby authorize and direct the renewal of subject contract with [REDACTED] contingent on approval by the Deputy Director of Central Intelligence.
